FEBRUARY CCC MEETING ON TUESDAY, 8TH, 1966

Note that again the club will not be meeting on the 2nd Wednesday, but the 2nd Tuesday of February. But the one day earlier than usual date should not keep you from remembering to bring a display on February's favorite sons, Washington and Lincoln. Numismatic material is rich and prolific on this subject, and it always makes for an interesting display and talk.

The next auction will be in March and will be conducted as outlined in the January Chatter. Please drop a postal card to Charles J. Ryant, Jr., 716 West 82nd Street, Chicago, Illinois 60620, prior to February 25th, describing the item you expect to offer in the auction together with the minimum acceptable bid for each. (DO NOT SEND THE ITEMS BUT BRING THEM TO THE MARCH MEETING.) Lot numbers will be assigned and the list published in the March issue of the Chatter. Remember there is no charge if your minimum bid is not realized.

ROOSEVELT UNIVERSITY NUMISMATIC COURSE, 2ND TERM, STARTS FEBRUARY 16TH.

Roosevelt University, in cooperation with the P. N. G., will offer the second term of its Numismatic Course starting Wednesday, February 10th. The University is again extending a 50% reduction in tuition fee to members of the Chicago Coin Club. Dr. Lucy Ann Marks is sending brochures to all members of the Chicago Coin Club. For that reason, the Chatter will not list the speakers at this time, but the list is impressive and includes top names in Numismatics. If his schedule permits, Senator Paul Douglas of the Senate Banking and Currency Committee may be a speaker.

CHICAGO COIN CLUB DONATES ITS LIBRARY AS NUCLEUS OF NEW ROOSEVELT U. NUMISMATIC LIBRARY

The Chicago Coin Club donated its Numismatic Library to Roosevelt University in January. The University will build and house a permanent Numismatic Library around it. Chicago Coin Club members are given borrowing privileges plus the assurance that

the material is properly catalogued and housed. In late years, the library has been difficult to maintain, for it has been repeatedly broken into, while in storage between meetings, by those who thought the portable book case contained coins.

Chester Poderski, club librarian, asks that all members who now have books out return them by the February meeting. Your cooperation will be appreciated. Duplicate books and materials will be sold through auctions.

1966 CLUB DUES PAYABLE NOW

It is that time of the year again. 1966 dues are due and payable. Our Secretary-Treasurer, Marjorie Baker, reports that many members have already paid for their 1966 Membership Cards. This year Marjorie is including the month and year you joined the club in the upper right hand corner of the card. For one period, 1918 to 1928, records are not complete. If you are one of those persons who became a member in those years, please notify Marjorie of the month and year, so the records can be restored.

Dues notices are included with this month's Chatter. If you have not already paid your dues, send the notice, with your check, made out to the Chicago Coin Club, to Marjorie Baker, 158 North Parkside, Chicago, Illinois. Or, if you wish, bring your dues to the February meeting. Either way, you'll get your CCC Membership Card right away.

This N' That

Our thanks to Mike Powills for his installation of 1966 Officers and Directors--as usual, very well done. Mrs. Nellie Josephson, whose husband was one of the Charter Members and who is a lifetime member, sent the club a very warm letter of appreciation for her 1966 membership card...she sends a hello to one and all and adds that she hopes to come to Chicago next summer. She resides in Warren, Michigan, and reports, "I am still going strong."

Our thanks to Chester Poderski for the yeoman service as club librarian. He has had a big job in preparing the books to be turned over to Roosevelt University. Remember to return books you may have outstanding, so that all the books may be turned over to the University at one time.

THIS N' THAT

While brousing through the "New Non-Fiction" section of the library the other night, your editor came across a book entitled Coins and Collectors by Q. David Bowers. Since we have more than once exchanged pleasantries with Mr. Bowers, owner or co-owner of the Empire Coin Company, we decided to bring it home. It is well worth anyone's bringing home--and especially a numismatist, for Bowers has done a remarkable job of telling the story of coin collecting--and famous collectors--in America from the beginning until the present. Bowers straightens out those who would believe that coin investment and speculation is a product of only very recent times. In reproducing early coin ads, telling about the Brands, Carters, Col. Greens and dealers like Mehl, Raymond and Spink he has written a highly interesting and entertaining book. Published by Windsor Research Publications, Inc. in 1964, the book is now in its third printing.

AUGUST 10TH, MEETING OF CHICAGO COIN CLUB

On this the last meeting before the big A.N.A. Convention, August 16 to 20, at the Pick-Congress, there are several important pieces of business to discuss. The first is the proposed changes in by-laws. The proposed changes were read at the last meeting. They will be sent to you, under separate cover, prior to the August meeting, and the club will vote on them at the August meeting. Note that in the by-laws you receive the proposed changes are in all caps type.

Final Convention plans will be discussed at this meeting. Those of us who have not had an opportunity to volunteer for Convention work can do so. The day before the 16th--Monday the 15th--is one on which there never seems to be enough help, so perhaps you will want to help out at that time. Help will be needed in various areas through the Convention week, so there should be no shortage of things to do for all wanting to devote a few hours of time.

THIS 'N THAT

The enclosed Statement of Receipts and Disbursements, compiled ably by Jules Marshfield, shows that the Club enjoys a very respectable financial condition... let's work to keep it that way! Dealers across the nation are awaiting with interest the Chicago A.N.A. Convention...on a recent trip to the Smoky Mountains, we quite unexpectedly ran across a coin dealer while asking directions out of Knoxville, Tenn. He ran a gas station-used car lot-coin shop kind of business in the last place anyone would expect to find a coin dealer. Even though he told us that he could not attend Chicago, he said that he was anxious to see it do well.

SEPTEMBER 14TH MEETING OF THE CHICAGO COIN CLUB

After the busy week of the ANA Convention, the Chicago Coin Club is back at the same old stand. There should be some pretty interesting committee reports ready by the time the meeting rolls around. Come on down and bring an exhibit.

AUGUST EXHIBITS

DENNIS ANDERSON	Two gold backs of 1922, 10 and a 20, Unc.
HOWARD EISENBERG	Governor's Proclamation recognizing the 75th Anniversary of The ANA and A.N.A. Program Booklet
J. THOMAS NOLAN	Chicago Coin Club's 500th Meeting Medals in Bronze, Silver and Gold
FRANK ZAYLIK	966-1966 Medallion Commemorating 1000 Years of Christianity and coins of Poland. Presented by the Polish American Numismatic Association of Chicago.

CONVENTION NOTES:

We don't know if the ANA Convention held in Chicago last month was the finest ever held, but we do know that for this day of numismatics, it was just what the doctor ordered. The coin business for many dealers had been in the doldrums for months, but the majority of dealers went away from this one very happy.

Well planned in advance by General Chairman Harry X. Boosel and his committee heads, the Convention rolled off with nary a hitch from beginning to end -- registration was heavy, banquet attendance surpassed all expectations and there were very few complaints.

The Convention was marred by a theft when the hotel lock boxes were broken into and five dealers sustained considerable losses. The lock boxes were not under ANA security jurisdiction nor were they in the convention security room. These people had checked into the hotel ahead of the Convention opening, and the theft took place on the morning of opening day.

Congratulations to these CCC members who won exhibit awards: Arlie Slabaugh, First in Class 4, Tokens....Bruno Rzepka, Third in Class 2, U.S. paper money..... Don Doswell, Third in Class 12.

Our thanks to Mr. and Mrs. Jules Marshfield, Mrs. Jonas and many others who put in hours of work in making the Hospitality Room on the first floor one of the finest we have ever seen. Marty Green's registration desk crew also performed well under the heavy attendance. We heard many say that the Badge was one of the finest they had ever gotten at an ANA Convention....and I am certain that its good looks accounted for many more paid registrations than we would have otherwise had.

There are many people who contributed to the success of the show, too many to list all their names here, but we do want to congratulate Howard Eisenberg for the fine convention booklet--a first class job all the way around.

Ex-President of the CCC, Mike Dolnick was awarded the ANA Medal of Merit....and well he deserved it. Mike and his family now live in Washington, D.C. and he has joined the Washington Numismatic Society.

During the Convention General Chairman Harry Boosel had a heavy burden, for his son was in a Miami hospital. He had taken ill while the family was vacationing. We hope that he is home and on the mend.

Tuesday, the 6th of September, saw the realization of a dream when ground breaking ceremonies were held in Colorado Springs, Colorado for the new headquarters of the American Numismatic Society. It is estimated that it will take 240 days to complete the building--about next July it should be finished. The contributions of ANA members everywhere made the dream a reality.

The Club extends its sympathy to Lee Hewitt whose wife, Dolores, passed away on the 16th of August.

Sympathy is also extended to Leonard Stark whose mother, Mrs. Nathan Stark, passed away on the 27th of August. Mrs. Stark was 90 years of age.

The next regular auction of the Chicago Coin Club will be held in November, so if you have any material you would like to place in it, bring a description of it to Auction Chairman Ryant or a member of his committee. The actual material does not have to be brought until the night of the auction.

CHICAGO COIN CLUB BOARD CONVENED ON SEPTEMBER 9, 1966.

The Board of Directors for the Chicago Coin Club met on September 9th and made the following recommendations that were presented at the September club meeting:

1. That the Chicago Coin Club hold a dinner meeting in January in lieu of the regular meeting. A suitable place, such as Hardings or some other mid-loop restaurant, is now being sought.
2. That the CCC actively participate in National Coin Week in 1967. Phil More was named Chairman and Howard Eisenberg, Publicity Chairman for this effort.
3. That the Chicago Coin Club sponsor a coin show in October or November of 1967. This idea was well received, but it has not been determined how long the event will last or, of course, where it will be held.

1966 A.N.A. CONVENTION MEDALS AVAILABLE

If for some reason you did not get an A.N.A. Convention Badge, or would like to have another one, there are a few available. The reason is that the committee just narrowly missed, on the plus side, estimating the largest registration in history. Registration was 3,453 -- a record. You may buy one at the meeting for $3.00 or send the mail price of $3.25 to Howard Eisenberg, P. O. Box 307, North Town Station, Chicago, Illinois 60645.

THIS 'N THAT

Dick Peterson, our first VP, has been sent to India for two or three months by his company--we'll bet that he has no trouble finding things to do on his free time. We neglected to mention last month that former A. N. A. President Vernon Sheldon was the man responsible for the very handsome A.N.A. Convention Badge. At the last meeting the club gave Convention General Chairman Harry Boosel a rising vote of thanks for his fine generalship of what was a very fine convention. A few minutes later Mike Powills arrived and at the first opportunity he got up and made a very fine speech praising Harry's efforts. It was not until he suggested a rising vote of thanks that anyone told him... nice, too!

On September 22, a London Company announced that for the first time in nearly 2,000 years shekels are to be minted again. Vivian Cohen, a London dealer, had the idea. He stated that the idea came to him from the necessity of providing silver coins for the redemption of the firstborn son. The Law of Moses states that the child must be redeemed from service to God by a payment to the priest of five silver shekels on the 31st day after it was born.

Cohen pointed out that since silver coins are disappearing in Britain at the rate of $140 million a year and that since current coins are of supro-nickel alloy, the Law of Moses can not be observed fully. It will take five of the new coins, at $8.40 each, to redeem a firstborn son.

The new shekel shows the hand of a priest in blessing with the Hebrew legend: "May the Lord bless you and guard you; may His face shine upon you; may He turn His face towards you and give you peace."

The reverse shows the value in Hebrew: "One silver shekel." And the quotation in Hebrew: "All the first of thy sons thou shalt redeem."

The coins are being minted by the mint of Toye, Kenning and Spencer.

ROTHERT TO SPEAK AT JANUARY CHICAGO COIN CLUB INSTALLATION DINNER

Matt H. Rothert, President of the American Numismatic Assoc. will be the honored guest at the January 11, 1967, C.C.C. Awards and Installation dinner at Harding's Restaurant, 21 S. Wabash. Mr. Rothert, a long time member of our Club, will install the new officers. Tickets may be purchased at the December meeting or by mail from our secretary. We look forward to having a large attendance for this dinner meeting, and we hope you will purchase your tickets as soon as possible. Bring your wives too!

THIS N' THAT ... Harry Boosel's very fine talk, How To Have A Heart Attack, last month was as amusing as it was informative -- just illustrates how a person can use his talents creatively in more than one field.

Back in October, one Anthony Sabatino went on trial in U. S. District Court on charges of defacing pennies and dimes to make them look like rare coins. The Secret Service testified that they raided the Sabatino residence and found 427 altered pennies, nickles, dimes and quarters as well as die stamps. Sabatino explained it all by saying "These people wanted a dime with a D on it, so I gave them a dime with a D." "These people" were folks who had been complaining to the FBI for months about the fraudulent coins they were getting from Sabatino by mail order.

Jim Swain, a retiree of between seventy five and eighty who lived alone in a Chicago apartment, was beaten to death this week. A gang of teen-age boys entered his apartment to steal his coin collection. They got both the coins and his life. One wonders how desperate one has to be to commit murder for a few paltry coins.

Dick Peterson, who was sent to India by his company in October will soon be back with us. Mrs. Peterson flew to meet Dick in Calcutta and return home with him via several eastern cities--Tokyo, Bangkok and others. Both Dick and his wife will probably have some interesting stories to tell on their return.

Welcome back to Paul Igelman and his family. Seven years ago Paul was transferred to Columbus by his company, and now he is needed back here. Paul, prior to leaving, was the Chatter Editor and active CCC member. We are glad to have him back with us again.

MERRY CHRISTMAS AND A HAPPY NEW YEAR
